

Checklist for your luggage transfer

On the Stoneman Arduenna, we offer a centralized Stoneman luggage transfer service. This means that Stoneman mountain bikers could book luggage transfers between the different Stoneman partner accommodations.

In order to allow everybody to find their luggage back at the end of the day, please make sure to respect the following guidelines.

Procedure in the accommodation

- Please hand over your tagged luggage at the reception before 9 a.m.
- Max. 1 piece of luggage per person
- Maximum weight: 20 kg
- If you haven't received a luggage tag yet, you may ask for one at the reception.

How to label the luggage tag the night before

- Please label a tag for each piece of luggage!
- Only ever note the name of the person who booked the transfer, please! All bookings are respectively saved under this name exclusively – It helps to avoid mistakes.
- Please add your selected accommodations in chronological order. The information is on your booking list.

Thank you very much and have fun on the Stoneman Arduenna!
